Image Processing: EE604
## Discussion session: I

Dr. Tushar Sandhan

Introduction

- Assignment discussion
    - few summary images are attached here

- Student's general doubts discussion

- Completion of previous remaining lecture

Q3

o Trajectory

- BC should be more linear than AB arc

- Other non-linear curve unique trajectory needs more sample points

- Only option left is linear trajectory

Q3

- Pixel sep to Km mapping
  - Earth is spherical
  - Distances are curved on ground vs flat on pixels
  - Different mapping at different regions
